MAKING GREAT HOMES

Very few companies have established a name for themselves so early on in their history. We started operations more than a decade ago, building our foundation on the principles of professional integrity, transparency and an uncompromising insistence on quality. The rewards, we are happy to say, have been extraordinary.

Our very first project, ATS Greens I in Noida created new benchmarks in quality homes. This landmark project changed people's perception about gated residential communities and set new standards for others in NCR.

Determined to outdo ourselves, we have raised the quality bar with each subsequent project. As a result, our homes attract the best resident profile – likeminded people with refined taste and lifestyle, who go on to become friends rather than mere neighbours.

Today, as ATS is poised to bring its brand of quality housing to Gurgaon and other major cities, our motto remains simple - build great homes in great locations, and build them as places we would love to live in ourselves.

ATS Greens I

ATS Greens I, located in Sector 50 of Noida was our first residential project. It created waves for its marvellous design and changed forever people's perceptions about gated community living. Spread across 3 acres (approx.), it was a landmark project that set new benchmarks in the NCR region.

ATS Greens II

ATS Greens II in Sector 50 of Noida was completed in 2004. Spread over 4 acres, and equipped with modern amenities like a clubhouse, swimming pool, squash and badminton courts, a dedicated children's play area and lush gardens - it broke the myth of apartments being isolations in a concrete jungle.

ATS Village

ATS Village in Sector 93, Noida, was completed in 2006, a year ahead of schedule. This beautiful gated community of apartments, penthouses and villas is spread across 22 acres. Its stunning swimming pool and sprawling clubhouse made it the most talked about property in the area.

ATS Paradiso

ATS Paradiso, located in Sector Chi 4 of Greater Noida has plush apartments and magnificent villas amidst beautifully landscaped greens. With a private pool for penthouses, it offers a life of indulgence and luxury. Lavishly spread across 32 acres, Paradiso gave grandeur a new dimension in Greater Noida.

ATS Golf Meadows Prelude

ATS Golf Meadows Prelude is a gated residential community spread over 14 acres of lush green spaces within the ATS Golf Meadows Township in Dera Bassi. Apart from an exclusive clubhouse equipped with a swimming pool and a world class gym, it will have access to all the educational, health, recreational and other amenities that the township has to offer.

ATS Advantage

ATS Advantage, a gated community spread across 24 acres, is located in Indirapuram, one of the most rapidly developing areas of NCR. Designed by Hafeez Contractor, each tower at ATS Advantage is built for contemporary living and offers every aspect of the urban lifestyle.

ATS Golf Meadows

ATS Golf Meadows is a grand residential township coming up at Dera Bassi, just 12 km from Chandigarh. Magnificently spread over 300 acres, Golf Meadows takes the best aspects of Chandigarh and recreates them in this beautifully designed township laid around an equally breathtaking golf facility.

ATS One Hamlet

Situated in Sector 104, Noida, ATS One Hamlet will be a premium gated residential community of impressive flats and penthouses. Designed for an exquisite lifestyle, it will have a sparkling swimming pool, an exclusive clubhouse, a jogging track and all other amenities which add a touch of elegance and style that one aspires for.
