

A place you would like getting addicted to!

Nimai Place

Nimai Developer is all set to energize the skyline and the lifestyle of Gurgaon by presenting the Nimai Place, the most vibrant and scintillating destination for shoppers and office goers alike, in one of the happening areas of the near future in Gurgaon i.e. Sector-114 near Dwarka Expressway. The development across Dwarka Expressway is of high end residential complexes and Sector-114 is planned as an exclusively commercial sector right on the boundary of Delhi and Gurgaon. This area is nicknamed in the realty circle as extended Delhi and is the most promising realty market in the NCR. Significant buyer and investor interest has been noticed in this region already, it is highly recommended that one should become a part of the growth taking place here and not rue later for missing the bus.

Nimai Place

Perspective view of Nimai Place

Vibrant exterior will pull customers and clients towards the building and this ensures a healthy footfall at all time.

A man in a red shirt is looking at a smartphone in a shopping mall. The background is a blurred view of the mall's interior, showing other people and shop displays. The image has a decorative, ornate pattern overlaid on it.

Unparalleled shopping Experience

- A perfect synchronization of modern amenities, clever designing and maximum usage of the area with astute planning.
- Linear single file two sided shops providing maximum visibility to the customer no matter where the shop is located.
- Landscaping with water bodies and fountains will add splendor.
- Escalators upto third floor, accessible from outside the building for easy access to retail areas on upper floors and restaurants on the second and third floor.

A unique culinary experience at [Nimai Place](#) will be created because of the number of fine dining spaces created on the Second and Third Floor accessible through the escalators provided.

Engaging Corporate Spaces

- An amalgamation of small as well as large areas as per requirement.
- Two floors in office block have been created for the connoisseurs of the aesthetics as the beauty of the floors is accentuated by vast terrace gardens.
- Grand entrance lobby with video surveillance.
- Ample natural light and well ventilated units means lower electricity consumption.
- Convenient parking facility on ground floor and basement.
- State-of-the-art security system.
- Modern high speed lifts.

The building has been designed taking into consideration our differently abled brethren and sisters to facilitate their movements throughout.
